Miss Dorsey is English instructor in the Edinburg junior high school.

She will sail from New York June 21, on the S.S. Europa of the Hamburg American line accompanied by the other girls and the group will be in charge of Werner F. Striedieck, former German instructor at Hillsdale college, Michigan.

They will tour Germany, Switzerland, Italy, Austria, England, Holland and Czecho-Solovakia. A part of the tour however will be made by train. The group will stay at Youth Hotels where participants will have every opportunity for the social intercourse with German students.

Two years ago students from Michigan university and Ohio Wesleyan made the bicycle tour and the participants were so enthusiastic over the trip that the sponsorers were induced to make the trip again this year.

Miss Dorsey will be in Europe about six weeks.
